GFK4B Fan Kit 100 CFM fan kit with timer circuit.

Weathered Refractory

Carolina

Direct Vent Gas Fireplace

The Carolina's compact footprint offers versatile installation opportunities. And, this attractive unit is packed with advanced technology, like the IntelliFire™ Plus auto-ignition system and FireBrick technology for up to 25% more radiant heat. Extend your summer season with style. Bring the Carolina home.

Unique Features

- 36" or 42" viewing area
- Standard cantilevered brick firebox

Fireplace Upgrade Options

Heat & Glo Cosmo SLR

Direct Vent Gas Fireplace

The stunning Cosmo SLR delivers strong, contemporary design elements and impressive performance. Define your favorite room with unmatched style.

Unique Features

- 42" viewing area
- Ribbon of flame accentuates true contemporary design
- Pick your media, pick your panels and pick your front

Heatilator See-Through

Direct Vent Gas Fireplace

Link two separate spaces and enjoy double the ambiance with these attractive options. Advanced technology helps bold flames shine. And, the Heatilator name means these fireplaces will perform season after season, year after year.

Unique Features

- 36" viewing area
- See-through viewing area brings two rooms together; design each side differently
- Compact option ideal for smaller spaces
- Match your décor with multiple fronts and finishes

Heatilator Peninsula

Direct Vent Gas Fireplace

A unique design enables the Peninsula gas fireplace to elegantly divide a space. A three-sided viewing area lets the flames reach out into different rooms. User-friendly controls let you match flame height and heat output to your mood.

Unique Features

- 36" viewing area
- Match your décor with multiple fronts and finishes
- Upgrade with an optional fan or remote
- Fan Kit and Remote Included
