EEL5200

Frontier Collection

You'll find two distinct hand-scraped looks in the Bruce Frontier Collection. Our hickory hardwood series features a rustic scrape. The alternative to the rustic scrape is a softer, more subtle hand-scrape, offered in birch. All the flooring options in this collection have an engineered wood structure.

Details

Hickory – Available in six popular colors. Three standard colors and three colors that have been enhanced with a color brushing treatment. Plank size: 5" wide with a 3/8" thickness with random length boards up to 4 feet long.

Unique Fact

The color brushing treatment in the hickory line accentuates the grain of the wood and adds a unique color dimension that draws attention to the hand-sculpted scraping of the planks.
